(1) Easements to use, maintain, repair and replace at the Lofts Condominium Association's expense, the garage structures, entryways, and support structures (to the extent the same or any of them are located upon the Property) serving or for structural support of the Lofts Condominium improvements and at the Lofts Condominium Association's expense, to augment, enlarge and supplement the same or any of them to the extent reasonably required to provide necessary support to the Lofts Condominium improvements; provided, however, that the Lofts Condominium Association shall repair any damage to the Retail Condominium.

(2) Easements to attach, at the Lofts Condominium Association's expense, the support structures and shafts for the Lofts Condominium improvements.

(3) Easements to extend and use, maintain, repair and replace, at the Lofts Condominium Association's expense, those support structures for the garages and entryways as may be required in order to also serve the Lofts Condominium improvements.

(4) Easements to use, maintain, repair and replace for pedestrian and vehicular access, ingress, egress and regress the driveways, walkways and ramps located upon the Retail Condominium parking facility from time to time for purposes of pedestrian and vehicular access between the Retail Condominium parking facility and the Lofts Condominium garages and entryways.

(5) Easements to install, maintain, relocate, repair and replace, at the Lofts Condominium Association's expense, utility facilities including but not limited to conduits, pipes, mains, lines and wires for water, electricity, gas, telephone, cable, storm and sanitary sewers and other utilities subgrade, support, garage, or entryway located within the Retail Condominium as reasonably required to provide utility services to the Lofts Condominium improvements, including the right to penetrate floors, walls and other structural improvements of the Retail Condominium. Notwithstanding the foregoing, if

3.3. Master Declaration. The Property is subject to the rights and obligations contained in the Master Declaration.

3.4. Easements Through Walls. Easements are hereby declared and granted to the Association and to such persons as are authorized by the Association, to install, lay, maintain, repair and replace any chutes, flues, ducts, vents, pipes, wires, conduits and other utility installations, and structural components running through the walls of the Units, whether or not such walls lie in whole or in part within the boundaries of any Unit.

3.5. Easements To Repair, Maintain, Restore and Reconstruct. Wherever in, and whenever by, this Declaration, the Bylaws or the Act, a Unit Owner, the Association, the Board, or any other person, is authorized to enter upon a Unit or the Common Elements to inspect, repair, maintain, restore or reconstruct all or any part of a Unit or the Common Elements, such easements as are necessary for such entry and such repair, maintenance, restoration or reconstruction are hereby declared and granted.

3.6. Easements for Utilities. The Units and Common Elements shall be, and are hereby, made subject to easements in favor of the Declarant (until Declarant shall have satisfied all of its obligations under the Declaration and Bylaws and all commitments in favor of any Unit Owner and the Association), the Association, appropriate utility and service companies and governmental agencies or authorities for such utility and service lines and equipment as may be necessary or desirable to serve any portion of the Property. The easements provided for by this Section 3.4 shall include, without limitation, rights of Declarant, the Association, any providing utility, any service company, and any governmental agency or authority and any of them to install, lay, maintain, repair, relocate and replace gas lines, pipes and conduits, water mains and pipes, sewer and drain lines, telephone wires and equipment, television equipment and facilities (cable or otherwise), electrical wires, conduits and equipment and ducts and vents and any other appropriate equipment and facilities over, under, through, along and on the Units and Common Elements. Notwithstanding the foregoing provisions of this Section 3.4, unless approved in writing by the Unit Owner or Unit Owners affected thereby, any such easement through a Unit shall be located either in substantially the same location as such facilities or similar facilities existed at the time of first conveyance of the Unit by the Declarant to a grantee other than the Declarant, or so as not to materially interfere with the use or occupancy of the Unit by its Occupants.

3.7. Declarant's Easement. Declarant hereby reserves such easements through the Common Elements as may be reasonably necessary for the purposes of discharging its obligations, exercising Special Declarant Rights, and completing the development and construction of the Condominium, which easements shall exist as long as reasonably necessary for such purpose.

3.6. Easement for Storm Water Retention. The Common Elements shall be and are hereby made subject to easements in favor of the Declarant, its successors and assigns, for the installation, maintenance, repair, relocation, replacement and use of storm water lines, pipes, conduits, mains and retention pond facilities and other appropriate equipment and facilities related to storm water drainage. The easements provided for in this Section 3.6 shall be for the benefit of the Property and other nearby property owned at any time hereafter by Declarant.

3.8. Easements To Run With Land. All easements and rights described in this Article III are appurtenant easements running with the land, and except as otherwise expressly provided in this Article III shall be non-exclusive and perpetually in full force and effect, and shall inure to the benefit of and be binding upon Declarant, the Association, Unit Owners, Occupants, First Mortgagees and any other person having any interest in the Condominium or any part thereof. The Condominium and every part thereof shall be

conveyed and encumbered subject to and together with all easements and rights described in this Article III, whether or not specifically mentioned in any such conveyance or encumbrance.

ARTICLE IV

Restrictions, Conditions and Covenants

4.1. Compliance with Declaration, Bylaws and Rules and Regulations. Each Unit Owner and Occupant shall comply with all applicable provisions of the Act, this Declaration, the Bylaws, the Articles of Incorporation of the Association, and rules and regulations promulgated by the Board or the Association, as amended. Failure to comply shall be grounds for an action by the Association, an aggrieved Unit Owner, or any person adversely affected, for recovery of damages, injunction or other relief.

4.2. Administration of Condominium. The Condominium shall be administered in accordance with the provisions of the Act, this Declaration and the Bylaws.

4.3. Use Restricted: Use by Declarant.

(a) The Units shall be occupied and used by Unit Owners and Occupants for retail business purposes only.

(b) The foregoing provisions of this Section or any other provision of this Declaration or the Bylaws notwithstanding, Declarant shall have an easement to maintain sales offices and models for sales of Units in the Condominium and for the sale of condominium units that Declarant develops or plans to develop on land adjacent to or in the general vicinity of the Condominium and in the air rights above the Condominium. Declarant shall have the right to relocate, from time to time, and to discontinue and reestablish, from time to time, within the Condominium, for not more than three (3) years after the last of the Units has been conveyed to a Unit Owner other than a Declarant, any one or more of such offices or models. Declarant also shall have the right to change the use or combination of uses of such offices or models, provided that such offices or models shall be used only for sales offices or models. The total number of such offices or models maintained at any time by a Declarant shall not exceed two (2), and the size of any such relocated or reestablished office or model shall not exceed the size of the largest Unit in the Condominium.

(c) Declarant shall also have an easement to maintain signs on the Common Elements advertising the Condominium until all of the Units have been conveyed to Unit Owners other than a Declarant. Declarant shall remove all such signs not later than thirty (30) days after all of the Units have been conveyed to Unit Owners other than Declarant and shall repair or pay for the repair of all damage done by removal of such signs.

4.4. Hazardous Use and Waste. Nothing shall be done to or kept in any Unit or the Common Elements that will increase any rate of insurance maintained with respect to the Condominium without the prior written consent of the Board. No Unit Owner or Occupant shall permit anything to be done to or kept in his Unit or the Common Elements that will result in the cancellation of insurance maintained with respect to the Condominium, or that would be in violation of any law, or that will result in the commitment of waste (damage, abuse, or destruction) to or in his Unit or the Common Elements.

4.5. Alterations of Common Elements. No Unit Owner or Occupant, except Declarant during the Declarant Control Period, shall alter, construct anything upon, or remove anything from, the Common Elements, or paint, decorate, landscape or adorn any portion of the Common Elements, without the prior written consent of the Board.

4.6. Leases. Each permitted lease shall lease an entire Unit, shall be in writing, and shall be subject to this Declaration and the Bylaws, and any failure of the lessee to comply with the terms of such documents shall be a default under the lease. Any Unit Owner who enters into a lease of his Unit shall promptly notify the Association of the name and address of each lessee, the Unit rented, and the term of the lease. Other than the foregoing restrictions, each Unit Owner shall have the full right to lease the Unit.

4.7. Pets. Only domestic pets shall be allowed in the Condominium, except as may be provided by the rules and regulations promulgated from time to time by the Board or the Association or in the Bylaws. For the purposes of this paragraph, "domestic pets" shall be defined solely as dogs, cats or birds. Except for the foregoing, no other animals, livestock or poultry of any kind shall be raised, bred or kept on the Property unless approved by the Association.

4.8. Parking. No recreational automobile, tractor, mobile home or trailer (either with or without wheels), camper, camper trailer, boat or other watercraft, boat trailer or any other recreational vehicle shall be parked on any portion of the Common Elements. The foregoing restriction shall not apply to sales trailers, construction trailers or other vehicles which may be used by Declarant and its agents and contractors in the conduct of

their business prior to completion of the Condominium, and shall not apply to service vehicles which are temporarily parked while service contractors are providing temporary service work in one or more Units in the Condominium or on the Common Elements.

No Unit Owner or Occupant shall repair or restore any vehicle of any kind upon the property, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility. Each parked vehicle must display a valid current license plate.

4.9. Exterior and Visible Interior Improvements.

(a) No awnings, shades, screens or other item shall be attached to, hung or used on the exterior of any window or door of a Unit or on the exterior of any building without the prior written consent of the Board.

(b) No Unit Owner shall install any electrical or telephone wire, television antenna, air conditioning unit, or other machine anywhere on the Condominium in such a fashion that it is visible anywhere outside of a Unit without the prior written consent of the Board.

4.10. Prohibitions on Use of Common Elements. Except with specific written approval of the Board, the Common Elements, including Limited Common Elements, shall not be used for temporary or permanent storage or supplies, personal property, trash or refuse of any kind, other than in common trash receptacles placed at the discretion of the Board. Entrances, sidewalks, yards, driveways, parking areas and stairways shall not be obstructed in any way. No activities shall be carried on nor condition maintained by any Unit Owner, either in his Unit or upon the Common Elements, if such activities should despoil, or tend to despoil, the appearance of the Property.

4.11. Nuisances. No nuisances shall be allowed upon the Property and no person shall engage in any use, practice or activity upon the Property which is noxious, offensive or a source of annoyance to Unit Owners or their tenants or which reasonably interferes with the peaceful possession and proper use of the Condominium Property by any Unit Owner and/or tenants. No exterior speakers, horns, whistles, bells or other sound devices except security devices used exclusively for security purposes, shall be located, used or placed on the Property. All parts of the Property shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate and no fire hazard shall be allowed to exist. Any Unit Owner who shall dump or place (or permit his tenants, guests or agents to do so) any trash or debris upon any portion of the Property shall be liable to the Association for the actual cost of removal thereof or the sum of

\$150.00, whichever is greater, and the same shall be added to and become a part of the assessment next coming due to which the Unit Owner of his Unit is subject. No Unit Owner shall permit any use of a Unit or of the Common Elements which will increase the rate of insurance upon the Property. The Association and its Agent shall have the right to remove any item or items left outside a Unit on the Common Elements.

4.12. Lawful Use. No immoral, improper or unlawful use shall be made of the Condominium Property or any part thereof. All valid laws, zoning ordinances and regulations of governmental bodies having jurisdiction thereof shall be observed.

4.13. Rules and Regulations. In addition to the foregoing restrictions, conditions and covenants concerning the use of the Condominium, reasonable rules and regulations not in conflict therewith and supplementary thereto may be promulgated and amended from time to time by the Board or the Association, as more fully provided in the Bylaws.

4.14. Restrictions, Conditions and Covenants To Run With Land. Each Unit Owner and Occupant shall be subject to all restrictions, conditions and covenants of this Declaration, and all such restrictions, conditions and covenants shall be deemed to be covenants running with the land, and shall bind every person having any interest in the Property, and shall inure to the benefit of every Unit Owner.

ARTICLE V

Assessments

5.1. Assessment Liens. The Board has the power to levy assessments against the Units for Common Expenses. Such assessments shall be a lien on the Units against which they are assessed, and if any payment thereof becomes delinquent, the lien may be foreclosed and the Unit sold, or a money judgment obtained against the persons liable therefor, all as set forth in the Bylaws.

5.2. Personal Liability of Transferees; Statement; Liability of First Mortgagee.

(a) The personal obligation for assessments which are delinquent at the time of transfer of a Unit shall not pass to the transferee of said Unit unless said delinquent assessments are expressly assumed by said transferee.

(b) Any transferee referred to in (a) above shall be entitled to a statement from the Board, pursuant to Section 6.2 of the Bylaws, and such transferee's Unit

shall not be subject to a lien for any unpaid assessments against such Unit in excess of the amount therein set forth.

(c) Where a First Mortgagee, or other person claiming through such First Mortgagee, pursuant to the remedies provided in a deed of trust, or by foreclosure or by deed, or assignment, in lieu of foreclosure, obtains title to a Unit, the liability of such First Mortgagee or such other person for assessments shall be only for the assessments, or installments thereof, that would become delinquent, if not paid, after acquisition of title. For purposes hereof, title to a Unit shall be deemed acquired by foreclosure upon expiration of the applicable period of redemption.

(d) Without releasing the transferor from any liability therefor, any unpaid portion of assessments which is not a lien under (b) above or, resulting, as provided in (c) above, from the exercise of remedies in a deed of trust, or by foreclosure thereof or by deed, or assignment, in lieu of such foreclosure, shall be a Common Expense collectible from all Unit Owners, including the transferee under (b) above and the First Mortgagee or such other person under (c) above who acquires ownership by foreclosure or by deed, or assignment, in lieu of foreclosure.

5.3. Prohibition of Exemption from Liability for Contribution Toward Common Expenses. No Unit Owner may exempt himself from liability for his share of the Common Expenses assessed by the Association by waiver of the use or enjoyment of any of the Common Elements or by abandonment of his Unit or otherwise.

ARTICLE VI

6.1. Common Elements.

(a) By the Association. The management, replacement, maintenance, repair, alteration, and improvement of the Common Elements shall be the responsibility of the Association, and, subject to the provisions of Section 6.2 hereof, the cost thereof shall be a Common Expense to the extent not paid by Unit Owners pursuant to Section 6.1(b) hereof or the Master Declaration. All damage caused to a Unit by any work on or to the Common Elements done by or for the Association shall be repaired by the Association, and the cost thereof shall be a Common Expense.

(b) By Unit Owners. Each Unit Owner shall pay all costs to repair and replace all portions of the Common Elements that may become damaged or destroyed by reason of his intentional acts or the intentional acts of any Occupant of his Unit. Such payment shall be made upon demand made by the Association.

6.2. Common Expenses Associated with Limited Common Elements or Benefitting Less Than All Units.

(a) Any Common Expense associated with the maintenance, repair, or replacement of a Limited Common Element shall be assessed against the Unit, or in equal shares to the Units, to which such Limited Common Element was allocated at the time the expense was incurred.

(b) In addition, the Association may assess any Common Expense benefitting less than all of the Units against the Units benefitted in proportion to their Common Expense liability.

6.3. Units. Each Unit Owner shall maintain his Unit at all times in a good and clean condition, and repair and replace, at his expense, all portions of his Unit; shall perform his responsibilities in such manner as not to unreasonably disturb other Occupants; shall promptly report to the Board, or its agents, any defect or need for repairs the responsibility for which is that of the Association; and, to the extent that such expense is not covered by the proceeds of insurance carried by the Association, shall pay all costs to repair and replace any portion of another Unit that has become damaged or destroyed by reason of his own acts or omissions, or the acts or omissions of any Occupant of his Unit. Such payment shall be made upon demand by the Unit Owners of such other Unit. Nothing herein contained shall modify any waiver by insurance companies of rights of subrogation.

6.4. Waiver of Claims. Except only as provided in Section 6.5(a) and (b), the Association agrees that it shall make no claim against a Unit Owner or Occupant, and each Unit Owner and Occupant agrees that he shall make no claim against the Association, the members of the Board, officers of the Association, or employees or agents of any thereof, or against any manager retained by the Board, or his or its officers, directors, employees or agents, or other Unit Owners or Occupants, for any loss or damage to any of the Property, or to a Unit or personal property therein, even if caused by the omission or neglect of any one or more of such persons and all such claims are hereby waived and released; provided, that this waiver shall not apply to any such loss or damage due to intentional acts.

6.5. Right of Entry.

(a) By the Association. The Association, and any person authorized by the Association, may enter any Unit or any of the Limited Common Elements in case of any emergency or dangerous conditions or situation originating in or threatening that Unit or any of the Limited Common Elements. The Association, and any person authorized by the Association, after reasonable notice to a Unit Owner or Occupant, may enter that Unit or any of the Limited Common Elements for the purposes of performing any of the Association's powers under the Act, this Declaration or the Bylaws with respect to that or any other Unit, any Limited Common Elements, or the Common Elements. Notwithstanding Section 6.4, the Association shall be responsible for the repair of any damage caused by the Association or its authorized person to the entered Unit, and the cost thereof shall be a Common Expense. All such entries shall be made and done so as to cause as little inconvenience as possible to the Unit Owner and Occupant of the entered Unit or any portion of the Limited Common Elements allocated to the Unit Owner.

(b) By Unit Owners. Each Unit Owner and Occupant shall allow other Unit Owners and Occupants, and their representatives, to enter his Unit, or Limited Common Elements allocated to his Unit, when reasonably necessary for the purpose of altering, maintaining, repairing or replacing the Unit, or performing the duties and obligations under the Act, this Declaration or the Bylaws, of the Unit Owner or Occupant making such entry, provided that requests for entry are made in advance and that such entry is at a time convenient to the Unit Owner or Occupant whose Unit or Limited Common Element is to be entered. In case of an emergency or dangerous condition or situation, such right of entry shall be immediate. Notwithstanding Section 6.4, the person making such entry shall be responsible for repair of any damage caused by such person to the entered Unit or Limited Common Element.

ARTICLE VII

Insurance

7.1. Casualty Insurance. The Association shall maintain, to the extent available, casualty insurance upon the Property in the name of, and the proceeds thereof shall be payable to, the Association, as trustee for all Unit Owners and First Mortgagees as their interests may appear, and be disbursed pursuant to the Act. Such insurance shall be in an amount equal to not less than one hundred percent (100%) full insurable value of the Property on a replacement cost basis exclusive of land, excavations, foundations and other

items normally excluded from property policies, and shall insure against such risks and contain such provisions as the Board from time to time shall determine, but at a minimum shall conform in all respects to the requirements of the Act, and shall provide that, notwithstanding any provision thereof that gives the insurer an election to restore damage in lieu of making a cash settlement, such option shall not be exercisable if such restoration is prohibited pursuant to Section 47C-3-113(h) of the Act. In addition, if any fixtures, property or equipment used or kept in a Unit are financed by the proceeds of any First Mortgage on such Unit, then the Association, at its option, may obtain insurance coverage for such fixtures, property or equipment.

7.2. Public Liability Insurance. The Association shall maintain public liability insurance for the benefit of the Unit Owners, Occupants, the Association, the Board, the managing agent, if any, the Declarant, and their respective officers, directors, agents and employees, in such amounts and with such coverage as shall be determined by the Board; provided that the public liability insurance shall be for at least One Million Dollars (\$1,000,000) per occurrence for death, bodily injury and property damage. Said insurance shall comply in all respects to the requirements of the Act and shall contain a severability-of-interest endorsement precluding the insurer from denying liability because of negligent acts of any insured; insure all of such benefitted parties against such liability arising out of or in connection with the use, ownership or maintenance of the Common Elements, and the streets, sidewalks and public spaces adjoining the Condominium; and insure the Association, the Board, the manager, if any, and their respective officers, directors, agents and employees against such liability arising out of or in connection with the use or maintenance of the Units.

7.3. Fidelity Coverage. If available at reasonable cost, fidelity coverage shall be maintained by the Association in commercial blanket form covering each director and officer of the Association, any employee or agent of the Association and any other person handling or responsible for handling funds of the Association in the face amount of at least the greater of (i) one and one-half (1-1/2) times the estimated annual operating expenses and reserves of the Association, or (ii) the sum of three months' aggregate assessments on all Units plus the Association's reserve funds. Such bonds shall contain an appropriate endorsement to cover persons who serve without compensation. The premium on such bonds shall be a Common Expense.

7.4. Insurance Unavailable. If the insurance described in Section 7.1, 7.2 or 7.3 is not reasonably available, the Association shall promptly cause notice of such fact to be hand-delivered or sent prepaid by United States mail to all Unit Owners.

7.5. Other Insurance. The Association may procure such other insurance, including worker's compensation insurance, as it may from time to time deem appropriate to protect the Association or the Unit Owners. If at least one Unit is subject to mortgage financing, the Association shall obtain and keep in force such insurance as such mortgagee shall reasonably require from time to time.

7.6. Insurance Trustee. The Board may engage, and pay as a Common Expense, any appropriate person to act as an insurance trustee to receive and disburse insurance proceeds upon such terms as the Board shall determine, consistent with the provisions of the Act and this Declaration.

7.7. Individual Policy for Unit Owners. Each Unit Owner may obtain insurance, at his own expense, affording personal property, business interruption insurance, condominium assessment, personal liability, and any other coverage obtainable, to the extent and in the amounts such Unit Owner deems necessary to protect his own interests; provided that any such insurance shall contain waivers and shall provide that it is without contribution as against the insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds that would otherwise be payable on the insurance purchased by the Association due to the proration of insurance purchased by a Unit Owner under this Section, such Unit Owner shall be liable to the Association to the extent of such reduction and shall pay the amount of such reduction to the Association upon demand, and assigns the proceeds of his insurance, to the extent of such reduction, to the Association.

ARTICLE VIII

Casualty Damage

If all or any part of the Property shall be damaged or destroyed, the same shall be repaired or replaced unless: repair or replacement would be illegal under any State or local health or safety statute or ordinance. All proceeds of insurance shall be used and applied in accordance with the provisions of Section 47C-3-113(e) and (h) of the Act.

ARTICLE IX

Condemnation

In the event of a taking by eminent domain, or by a conveyance in lieu thereof, of all or any part of the Property, the awards paid on account thereof shall be applied in accordance with Section 47C-1-107 of the Act.
